

Today we're going to practice 100 Daily Conversation Sentences Shadowing Practice.

This video is perfect for Beginners

If you watch this complete video from start to finish, I promise you something amazing.

Your English level will move from beginner to intermediate level automatically.

But you must follow one important rule very carefully.

You must watch every part of this video and do not skip anything.

Do not miss any sentence because every sentence will help you improve.

Every sentence will be said two times so you can listen and repeat easily.

This is called shadowing practice and it is the best way to learn English speaking.

Now please listen to these important rules before we start.

Find a quiet room where no one will disturb you or make noise.

You must speak out loud, do not just listen quietly in your head.

Your mouth needs to move and practice the words.

If you make a mistake, do not feel bad because mistakes help you learn.

Some sentences may be hard but I will explain them to you.

When a sentence is difficult, I will tell you what it means in easy words.

This way you will understand everything very well and nothing will be confusing.

Let's start this amazing journey together now and make your English great.

Take a deep breath, feel relaxed, and let's begin our practice now.
