

Today we're going to practice 120 English Shadowing Sentences for B1 And C2 level learners.

These are sentences that will help you speak English more naturally.

I've divided them into two easy parts.

Part one has 60 intermediate level sentences.

Part two has 60 expert level sentences.

And here's how this will help you.

When you repeat after me, your mouth learns how to move.

Your brain learns how to think in English faster.

Your confidence grows with each sentence.

By the end of this video, speaking English will feel much more natural.

But I have one important request for you.

Please don't skip any part of this video.

Don't think part one is too easy and jump to part two.

Every part is important.

You need to build your foundation first.

Just like building a house, you start from the bottom.

Now here's something else that's important.

Some sentences will be more difficult than others.

When a sentence is too hard, don't worry.

I will explain that sentence clearly.

And I will repeat it 3 to 4 times slowly.

This will help you understand and remember it better.

If you practice all 120 sentences with me today, I promise you will feel the difference.

Your speaking will become smoother.

Your confidence will become stronger.

So here's what you need to do right now.

Get comfortable.

Maybe grab a notebook and pen.

Find a quiet place where you can speak out loud.

Turn off all distractions.

Give me your full attention for the next few minutes.

Because today is the day your English speaking changes.

Ok first of all let me ask you 2 simple questions for you tell me the answer in the comment?

What is the most difficult thing for you in learning English?

How many years have you been learning English but still can't speak fluently?

I'm waiting for your answer.

Ok

Are you ready to start this journey with me?

Are you ready to practice 120 sentences?

Are you ready to become a confident English speaker?
