

English has more than one million words,
Yes
one million words,
but you do not need to memorize all of them.
Even native English speakers do not know that many words.
The real secret to speaking fluent English
is not learning more vocabulary,
but mastering useful sentences.
If you can remember and practice these 215 sentences,
And Remember: some sentences is difficult but don't worry
After watching this video
You understand Easley everyone sentence.
I will Speak, Slowly, Clearly, And With Confidently.
So.
I Speak Every Sentence in two time
For better understanding.
Focus on Subtitles
you will be able to speak English clearly, confidently, and naturally.
This video is perfect for shadowing practice.
Listen carefully.
Repeat after me.
And let your fluency grow naturally.
